

CALENDAR 2026-27

Unlocking Another Academic Year

This year's monthly themes focus on a range of Life Competencies. We strongly believe that knowledge, skills and understanding of these competencies will help our students to navigate the real world successfully.

The ability to communicate effectively, manage self, think critically, be digitally safe and responsible, make responsible decisions are a few examples of competencies that facilitate wellbeing and professional success. Our goal is to equip Sancta Marians with practical tools they need to thrive beyond the classroom!

CURIOSITY

Curiosity | The ability to explore, ask thoughtful questions, and seek new knowledge with an open mind. Curiosity encourages learners to discover, investigate, and develop a deeper understanding of the world around them.
